### About Vera Lloyd Presbyterian Family Services

Vera Lloyd has cared for children, youth and families in need for over 100 years, since it opened as a day nursery in Monticello in 1910. Vera Lloyd provides boys and girls who have been abused, abandoned, neglected or adjudicated with a nurturing home environment where they can heal from trauma. On our 45-acre property, hundreds of youth and families every year are kept safe from abuse, learn living skills, reach treatment plan goals, improve their grades and create pathways to a successful future.
